Donlands Station

Second exit/automatic entrance

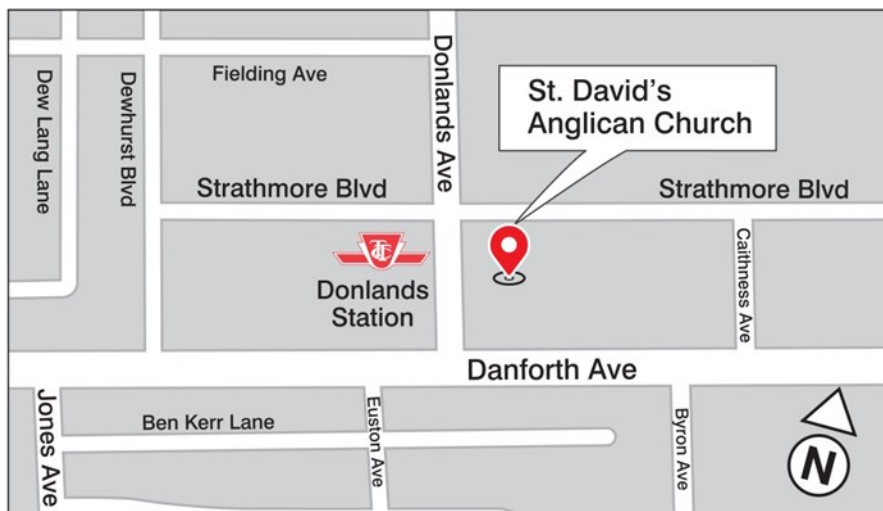

Tuesday, November 29, 2016

As part of the TTC's commitment to safety and modernization, Donlands Station (on Line 2 Bloor Danforth) will be getting a second exit to improve customer safety and convenience. It will also function as an automatic entrance.

The Local Working Group (LWG) for Donlands Station, composed of local residents and representatives of area businesses and organizations, recommended that the second exit be located at 17/19 Dewhurst Blvd., (a semi-detached lot) just south of Strathmore Blvd. The TTC has consulted with the homeowners, who attended the LWG meetings and support the recommendation.

You are invited to a community meeting to review all locations put forward by the LWG, learn about the evaluation process, review the recommended location and share your feedback.

Background information on the overall planning process is available on the project website – www.projects.ttc.ca (please see: "Second Exit Planning and Consultation").

Date: Tuesday, November 29, 2016

Time: 6:30 p.m. to 8:30 p.m.

Presentation begins at 7 p.m.

Location: St. David's Anglican Church 

49 Donlands Avenue
